

TOFU

Here careers don't just cross borders they open them

Narrative Statement

In a country so divided, many Americans dream of a life across the Atlantic, but this path is full of uncertainty. We bridge that gap, creating a meeting ground for Europeans seeking American talent. A career found here doesn't just cross borders, it opens them.

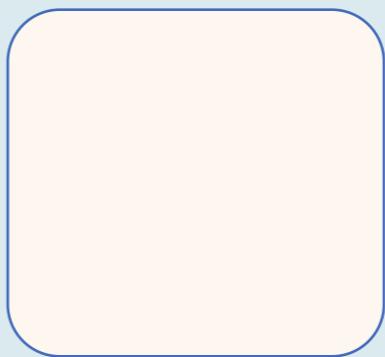

Mood Board

Colors

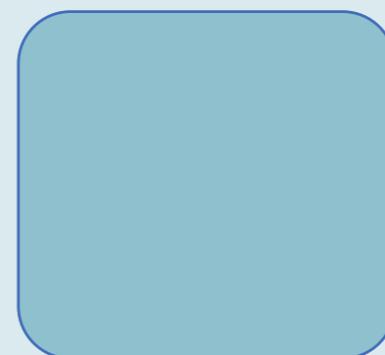

Based on my mood board I was able to come up with 4 colors that I felt represented my company. I wanted the colors to feel calming and was inspired by the skyline out of plane window

#FDF7EF

#DBEAEE

#8EC0CD

#3F6BC3

Font Exploration

After much font searching I narrowed it down to 3 title fonts and 3 body copy fonts. I wanted the font to serious but also welcoming something rounded by clean. I ended up choosing brontoburger for the title and rounded mplus fot the body

brontoburger

GOOSEBERRY JUICE

PUNKAHOLIC

Rounded mPlus

Patrick Hand

NTR

Type Logo

I wanted the type logo to simply be the company name in the font I chose. However upon playing around with size and composition I decided to make the E into a euro to more align with the European side of this company.

To€U

To€U

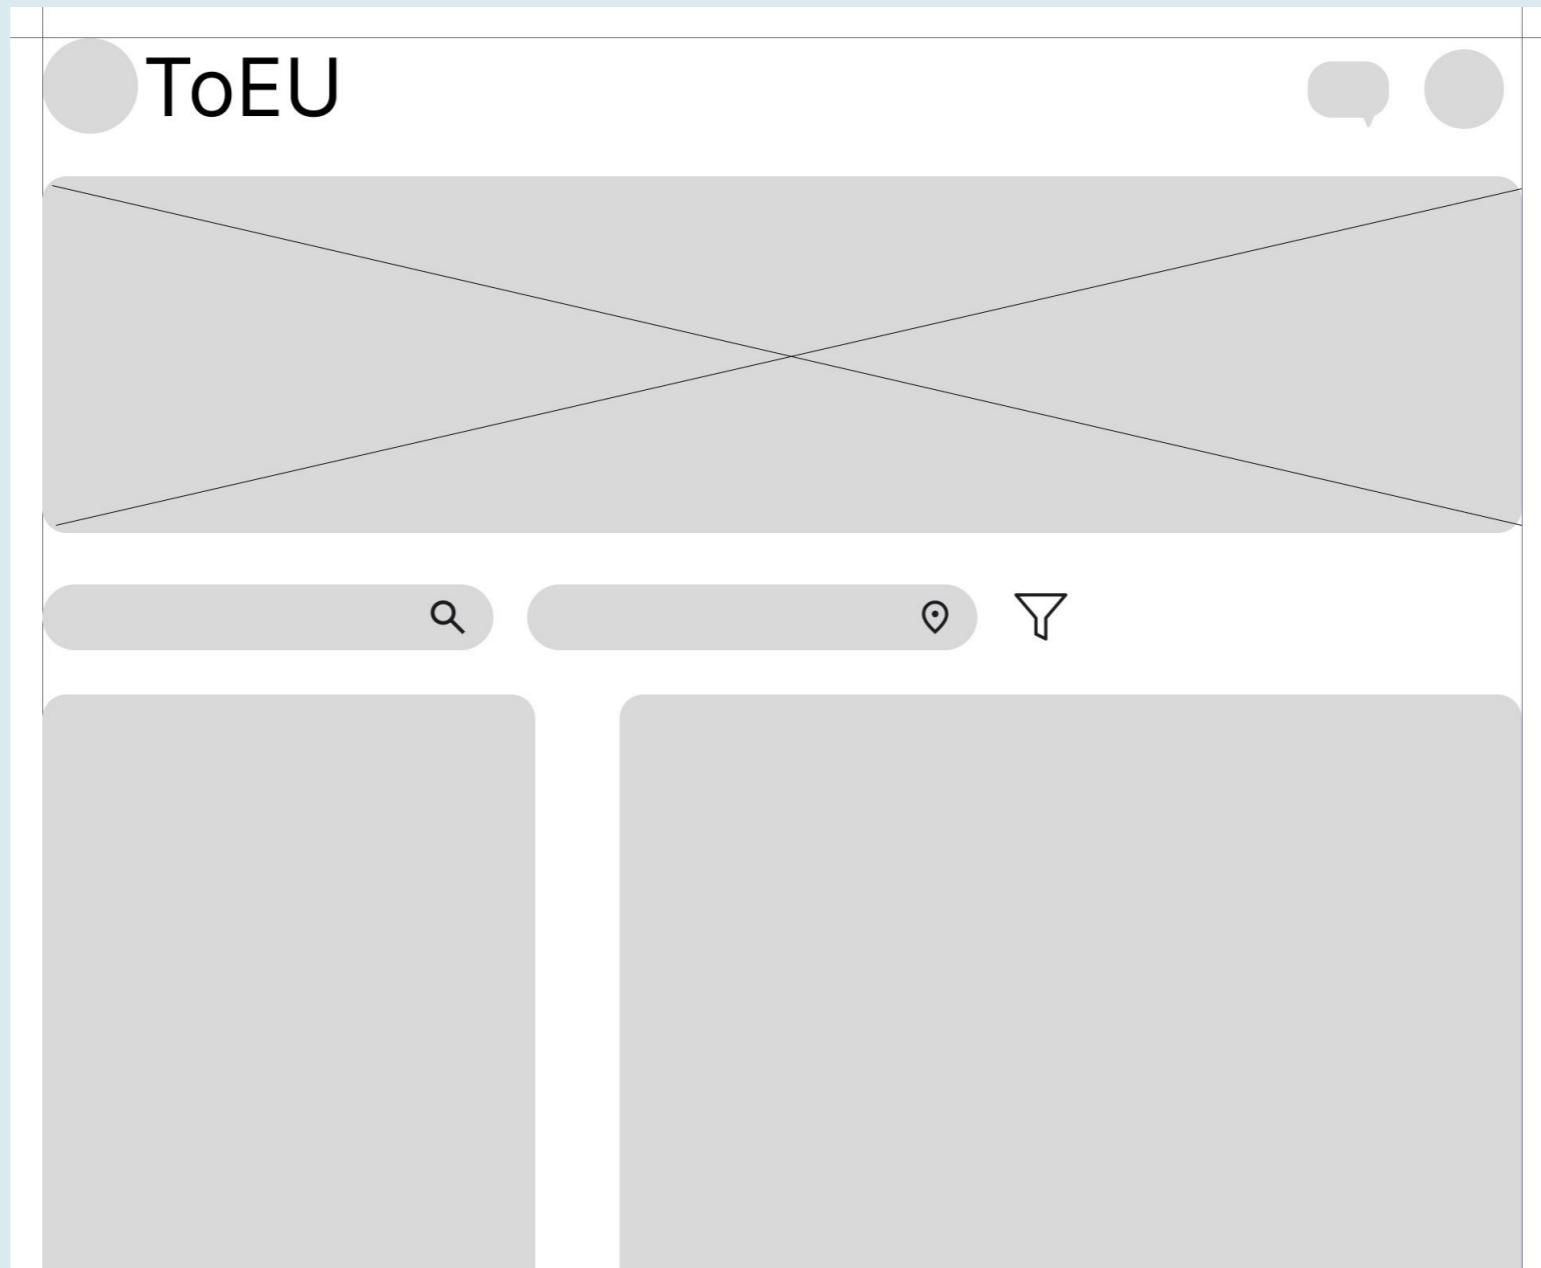

To€U

Pictorial Logo

For the pictorial logo I knew I wanted it to be recognizable as a job website and European. I decided to go with the European union stars surrounding a briefcase.

Wireframes

Wireframes

ToEU

Favorites

search location filter

This wireframe represents a mobile application's interface for managing favorites. It features a header with the text "ToEU" and "Favorites". Below the header is a search bar with a magnifying glass icon, a location pin icon, and a filter icon. The main area contains two large, gray placeholder boxes for items.

ToEU

Name
location

information resume skills applied

This wireframe represents a mobile application's profile screen. It features a header with the text "ToEU" and a circular placeholder for a profile picture. Below the header is a section labeled "Name" and "location". At the bottom, there is a horizontal navigation bar with four tabs: "information", "resume", "skills", and "applied".
